

Operating on Las Vegas' Future—As the medical community grows, so will Las Vegas.

Join us as **Sandra Murdock** and **Maureen Peckman** discuss how the Nevada Cancer Institute and the Lou Ruvo Brain Institute are impacting local growth and development.

Las Vegas' medical community is thriving, led by the Nevada Cancer Institute and the planned Lou Ruvo Brain Institute, but what does this mean for local growth and development?

Come hear Sandra Murdock, President and CEO of the Nevada Cancer Institute and Maureen Peckman, COO of the Keep Memory Alive Organization, which supports the Lou Ruvo Brain Institute, discuss their organizations and how they impact the diverse growth of the Las Vegas medical community.

Speaker: **Sandra Murdock**, *President and CEO*, Nevada Cancer Institute
Maureen Peckman, *COO*, Keep Memory Alive Organization
(Lou Ruvo Brain Institute)
