

Vanguard Media Group

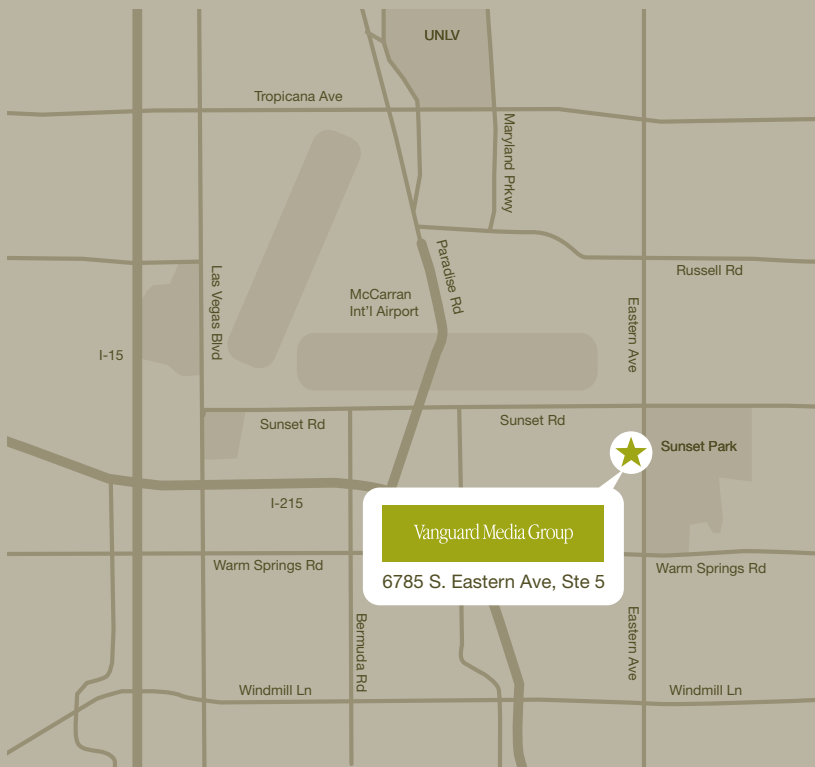

Our roots run deep in this desert.

Since coming to Las Vegas eight years ago, Vanguard Media Group has planted seeds throughout the community by way of commitment and sincere involvement. We've always strived to be not just in, but of the community. And after nearly a decade of careful cultivation, we've taken firm root in Las Vegas.

Please join us on 08.08.08 at our new location, 6785 South Eastern Ave, Suite 5, for an open house. Appetizers and drinks will be served from 3:00pm to 6:00pm. You will see that our roots and our dedication to Las Vegas run deep.
